THE TREASURY.

WASHINGTON, Nov. 27.—The Treasury

has today received from the

Department of the Interior

a report on the condition of

the public lands in the

State of Kentucky.

The report shows that the

public lands in the State

are in a good condition

and that the revenue from

the sale of the lands is

sufficient to meet the

expenses of the

Department of the

Interior.

The report also shows

that the public lands in

the State are being

sold at a profit.

The report is a

valuable contribution

to the knowledge of the

public lands in the

State.

The report is

available to the

public.
